Dear,

International White Cane Day 2023

SAVH is organizing the International White Cane Day (IWCD) 2023 on Saturday, 14th October 2023 to celebrate the achievements of visually impaired persons.

As the national social service agency for the visually handicapped, SAVH promotes the needs, interests and aspirations of the visually impaired in Singapore. We do so by providing a variety of support services for the visually impaired which includes Low Vision Clinic, Vision Rehabilitation Programme, Assistive Devices Centre, Braille Production Centre, Library Service and Day Care Centre. SAVH also supports the visually impaired to acquire skills for their livelihood.

Through IWCD 2023, we hope to raise public awareness and funds to continue our work of helping the visually impaired gain self-reliance, and integrate into society. We endeavor to invite 1,000 participants for this event and would like to invite you to support International White Cane Day through sponsorship, pledges and / or participating in this charity drive. Please refer to the attached sponsorship packages and registration form for more details.
